“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

**Breast Cancer Research Foundation \$42,000**

Scientific clinical research

**TOTAL: \$231,125**

**2018**

**YWCA Women’s Wellness Breast & Cervical Program \$65,000**

Designed to reduce breast and cervical cancer mortality and increase access to healthcare for at-risk women statewide.

**Alaska Run for Women Mammogram Program \$10,000**

Administered by the YWCA providing mammograms to underserved women

**American Cancer Society \$8,890**

Purchase a variety of cancer related clothing supports for breast cancer patients

**Breast Cancer Detection Center \$20,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Let Every Woman Know \$5,000**

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

**Alaska Community Action on Toxics \$16,560**

Statewide action organization addressing environmental exposures to breast cancer

**Kachemak Bay Family Planning Clinic \$30,000**

Outreach and early detection of breast cancer on the Kenai Peninsula

**Affinityfilms, Inc. \$10,000**

Partial funding for two media projects: Understanding Lymphedema and Why Did I Get Breast Cancer

**Anchorage Young Cancer Coalition \$5,250**

Restorative retreat for young cancer survivors

**UAA Clinical Research: Holly Martinson & Max Kullberg \$15,000**

“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

**Breast Cancer Research Foundation \$36,300**

Scientific clinical research

**TOTAL: \$222,000**

**2019**

**YWCA Women’s Wellness Breast & Cervical Program \$50,000**

Designed to reduce breast and cervical cancer mortality and increase access to healthcare for at-risk women statewide.

**Alaska Run for Women Mammogram Program \$25,000**

Administered by the YWCA providing mammograms to underserved women

**American Cancer Society \$3,000**

Purchase a variety of cancer related clothing supports for breast cancer patients

**Breast Cancer Detection Center \$20,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Let Every Woman Know \$7,500**

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

**Alaska Community Action on Toxics \$6,300**

Statewide action organization addressing environmental exposures to breast cancer

**Kachemak Bay Family Planning Clinic \$30,000**

Outreach and early detection of breast cancer on the Kenai Peninsula

**Anchorage Neighborhood Health Center \$30,000**

Partial funding for C-View software purchase which reduces radiation exposure during mammograms.

**Norton Sound Health Corporation \$16,000**

Provides funding for outreach in their region, emphasizing breast cancer detection and encouraging clinical breast exams and mammography.

**UAA Clinical Research: Holly Martinson & Max Kullberg \$15,000**

“Targeted Drug Delivery to Re-program Immunosuppressive Cells in Breast Cancer”

**Breast Cancer Research Foundation \$33,800**

Scientific clinical research

**TOTAL: \$236,600**

**2020**

**Affinityfilms, Inc. \$9,000**

Partial funding for two visual arts projects highlighting issues of survivorship in women with breast cancer.

**Alaska Community Action on Toxics \$20,000**

Statewide action organization addressing environmental exposures to breast cancer. This year’s funding is to impact the incidence of breast cancer among Alaska Native women.

**Alaska Run for Women Mammogram Program \$25,000**

Administered by the YWCA providing mammograms to underserved women

**Breast Cancer Detection Center \$24,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Let Every Woman Know \$8,000**

Scholarships for breast cancer survivors taking part in EXTRA TOUGH program

**Kachemak Bay Family Planning Clinic \$40,000**

Outreach and early detection of breast cancer on the Kenai Peninsula

**Providence Alaska Medical Center \$3,000**

Purchase post-mastectomy support items for breast cancer patients

**UAA Clinical Research: Holly Martinson \$15,000**

“Eliminating Breast Cancer Immune Suppression using Myeloid Targeted Nanoparticles”

**Breast Cancer Research Foundation \$50,000**

Scientific clinical research supporting 16 existing clinical trials

**TOTAL: \$194,000**

**2021**

**Affinityfilms, Inc. \$10,000**

Dissemination and distribution of two visual arts projects highlighting issues of survivorship in women with breast cancer.

**Alaska Community Action on Toxics \$20,000**

Statewide action organization addressing environmental exposures to breast cancer. This year’s funding is to impact the incidence of breast cancer among Alaska Native women.

**Alaska Run for Women Mammogram Program \$15,000**

Administered by the YWCA providing mammograms to underserved women

**Breast Cancer Detection Center \$24,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Casting for Recovery \$19,000**

Fly fishing retreats for breast cancer survivors

**Kachemak Bay Family Planning Clinic \$30,000**

Outreach and early detection of breast cancer on the Kenai Peninsula

**Let Every Woman Know \$8,000**

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

**Maniilaq Health Corporation \$5,270**

Lodging expenses for women coming to Kotzebue for breast imaging

**Providence Alaska Medical Center \$5,000**

Purchase post-mastectomy support items for breast cancer patients

**YWCA Women's Wellness Program \$15,000**

Supports outreach and education efforts in the Anchorage area for at-risk women

**American Cancer Society \$10,000**

Clinical research project "A Precision Medicine Approach to Breast Cancer Early Detection"

**Breast Cancer Research Foundation \$40,000**

Scientific clinical research supporting 16 existing clinical trials

**TOTAL: \$201,270**

**2022**

**Alaska Community Action on Toxics \$27,625**

Statewide action organization addressing environmental exposures to breast cancer. This year's funding is to impact the incidence of breast cancer among Alaska Native women.

**Alaska Run for Women Mammogram Program \$15,000**

Administered by the YWCA providing mammograms to underserved women

**Breast Cancer Detection Center \$25,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks; provides partial funding for a new mobile mammography coach

**Casting for Recovery \$24,000**

Fly fishing retreats for breast cancer survivors

**Kachemak Bay Family Planning Clinic \$33,625**

Outreach, education and early detection of breast cancer on the Kenai Peninsula

**Let Every Woman Know \$8,000**

Scholarships for breast cancer survivors taking part in EXTRA TOUGHS program

**Providence Alaska Medical Center \$10,000**

Provides post-mastectomy support items for breast cancer patients

**American Cancer Society \$10,000**

Partial support of a clinical research project entitled *Functional Impact of Progesterone Receptor Gene Mutations in Breast Cancer*

**Breast Cancer Research Foundation \$45,000**

Scientific clinical research supporting translational clinical research

**UAA Clinical Research: Max Kullberg \$15,000**

“Eliminating Breast Cancer Immune Suppression using Myeloid Targeted Nanoparticles”

**TOTAL: \$213,250**

**2023**

**Affinityfilms \$10,475**

Multimedia project designed to raise awareness to the realities and concerns of women living with metastatic breast cancer

**Alaska Community Action on Toxics \$25,875**

Statewide action organization addressing environmental exposures to breast cancer. This year’s focus is on younger women

**Alaska Literacy Project \$2,000**

Funding will support continued development of a Peer Leader Navigator project designed to create greater breast cancer awareness in culturally diverse communities in the Anchorage area

**Breast Cancer Detection Center \$25,000**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Casting for Recovery \$18,000**

Fly fishing retreat for breast cancer survivors

**Kachemak Bay Family Planning Clinic \$40,000**

Outreach, education and early detection of breast cancer on the Kenai Peninsula

**Maniilaq Health Center \$12,233**

Funding will support a 3-day retreat for 20 Alaska Native women with breast cancer in order to create a shared Inupiat community

**Providence Alaska Medical Center \$25,000**

Provides free post-mastectomy and lymphedema support items for breast cancer patients

**Wild Energized Life \$22,100**

Funding will provide scholarships for breast cancer survivors to participate in the Extra Toughs program

**American Cancer Society \$12,500**

Partial support of a clinical research project focused on development of an AI-based technology to better predict future risk of breast cancer

**UAA Clinical Research: Max Kullberg \$57,500**

“Eliminating Breast Cancer Immune Suppression using Myeloid Targeted Nanoparticles”

**TOTAL: \$250,683**

**2024**

**Alaska Community Action on Toxics \$29,882**

Statewide action organization addressing environmental exposures to breast cancer. This year’s focus is on younger women

**Alaska Literacy Project \$13,000**

Funding will support development of a Peer Leader Navigator project designed to create greater breast cancer awareness in culturally diverse communities in the Anchorage area

**Breast Cancer Detection Center \$12,500**

Mobile mammography for underserved women in rural Alaska and fixed site in Fairbanks

**Cancer Connection \$4,100**

Funding for educational materials and development of a support network to connect vulnerable women in Southeast Alaska
